How To Manually Add Music Folders To The SNP-2

Last Modified on 05/10/2016 2:52 pm EDT

Personal Music files can be searched and played on the SNP-2. These are the steps to add a music folder to the Streaming Network Player.

1. Select Settings.

2. Select My Music Manager.

%	SNP-2 Settings					
5	Account Setup					
go back	My Music Manager					
	Manage Stored Tracks on the Network Hide/Show Services					
	Display Music Services on Main Menu					
	Set Audio Options					
	Set Video Options					
	Set Date and Time for Sync Functions					
	•					

3. Select **Share Folder Manager**. An automatic search occurs for any available network folders.

4. Select Manually Enter Shared Folder Location
