How To update The PSX-2's Firmware

Last Modified on 05/10/2016 11:05 am EDT

This article shows the steps for updating the **PSX-2's firmware**.

 Using a web browser, access the PSX-2's interface by browsing to the local IP address of the device. The IP address can be found by discovering it in Step 6: Network Setup (URC Device).
